Rose Fowler

To the strong-willed, dedicated woman who filled our hearts with love, made sure we got to class - even if it meant getting kicked into it - and always had time to make sure we understood the problem at hand, we dedicate this book to you. You have been our mentor in times of need, who always remembered to make fun of us even in the worst of times so we wouldn't lose our humor when we were losing our will because you knew, ultimately, it would make us laugh and bring us back to reality.

We love you and will never forget you. Here's to you from all of your kids at Lawrence High School. To you and the memories you left behind, the love you burned into our souls, and the math problems you forced us to conquer. Thank you for pushing us forward and never regretting it.

We love you,
Oh-eight!

Believe...and Your Dreams Will Take You There
Trust on yourself, and you will find
Beautiful things awaiting you.

Have faith in yourself

As long as you remain strong
You will find the light that makes
The star within your ear glisten.

Look to the morals that have always brought you strength.

Find encouragement in each step you take,
And follow your path to the most joyful endings.

Let your heart be open to the warmth and compassion
That others have to offer you.

Great potential lies within you.

You hold your own destiny in your hand
And your aspirations in your heart.

You have so many places that you can go.
Believe...and your dreams will take you there.

To the Seniors from Your Advisors

Each new day is a blank page in the diary of your life. The pen is in your hand, but the lines will not all be written the way you choose; some will come from the world and the circumstances that surround you. But for the many things that are in your control, there is something special you need to know...

The secret of life is in making your story as beautiful as it can be. Write the diary of your days and fill the pages with words that come from the heart. As the pages take you through time, you will discover paths that will add to your happiness and your sorrows, but if you can do these things, there will always be hope in your tomorrows.

Follow your dreams. Work hard. Be kind. This is all anyone could every ask: Do what you can to make the door open on a day...that is filled with beauty in some special way. Remember: Goodness will be rewarded. Smiles will pay you back. Have fun. Find strength. Be truthful. Have faith. Don't focus on the things you lack.

Realize that people are treasures in life- and happiness is the real wealth. Have a diary And describe how you did your best, and...
The rest will take care of itself.

-Douglas Pagels
